Waiting List Application
(FOR **UNBORN** PUPPIES ONLY)

In order to reserve your place in line to choose a puppy that has not been born yet, we need some information from you as well as a \$50.00 deposit. It will not be returned if you just change your mind or back out as we may have already turned someone else away that would have wanted your puppy. If we do not have the puppy you have indicated, the \$50.00 deposit will be refunded. Please complete an application for each litter that you place a deposit on if more than one litter is chosen.

Once the puppies are born, in order to reserve a puppy, you are required to:

- 1) Pay the remaining portion of the \$200 deposit **due within 10 days** of the birth
- 2) Specify which litter you will stay with if deposits are on multiple litters
- 3) Complete the Purchase Agreement (on website under "Purchasing Your Puppy")

Once your deposit is received, you will be notified approximately what number you are in the order of selection. All selections should be completed by 6 weeks of birth. If selection is not completed by 6 weeks (or arrangements made with us), you will forfeit your position in line and we have the option of making the selection for you.
